

COVID SAFE MEETINGS & EVENTS

At the Australian Turf Club, our business never stopped as racing continued due to our comprehensive COVID Safe measures. With this existing knowledge we will ensure your next event is safe and successful during COVID-19 restrictions.

The following procedures are to be adhered to for events at Australian Turf Club venues:

- Event organiser must provide contact details of all guests prior to event.
- Temperatures checks for guests upon entry.*
- Hand sanitiser is available for guests at entry points.
- Additional cleaning procedures in place for frequently visited areas including toilet facilities.
- Reminders displayed to maintain safe physical distance of 1.5m from other guests.
- Venues are operating at a capacity of one guest per 4m².
- Guests must be seated for the duration of the event. No standing functions.
- Food and beverage service will be worked through with event organiser to ensure catering fits within NSW Government guidelines.
- All ATC employees have undergone COVID safe training.

*Temperature checks and thermal imaging technology is available at an additional service cost.

Information correct as of July 1 2020. For further information regarding the Australian Turf Club's COVID Safe measures or holding your next event with the Australian Turf Club please contact the ATC Sales Team.
