# RAISING THE ROYAL STANDARD

Queen Elizabeth II visited our Eastern Suburbs venue in 1954, 1970 and 1992. It was after her final visit that she officially granted the Australian Turf Club permission to call the racecourse, Royal Randwick.

Our ethos is to ensure that each event we deliver for our guests is befitting of this Royal standard.

*“The venue was a refreshing change to the typical large scale corporate event venue with its large green grassy spaces, natural daylight in all meeting rooms and a view over Sydney city. A great venue, excellent staff and great service. Highly recommended.”*

Kate Hery, Event Director at INVNT

The mastery and innovation of our chefs is paired with the quality of the locally-grown seasonal ingredients readily available. Our menus can be tailored to your occasion, from à la carte fine dining to memorable canapés.

# TESTIMONIALS

*“The Venue could not have been any better. The feedback has been amazing, I have worked on a lot of these events and this is the first time people have been raving about the “food”. I have to agree I was very impressed with the meals, the centrepieces and the staff. Please pass on my thanks to the Chef and kitchen staff and also those on the floor, nothing was too much effort, they were friendly and accommodating.”*

## **Baxter Healthcare**

*“The whole team at the Australian Turf Club provided excellent service from start to finish. The venue is really well suited to host both grand and intimate events and the production crew, catering and support staff really looked after us for our flagship summit. I'd like to thank everyone at ATC for an outstanding job.”*

## **Huawei Australia**

*“Gymnastics NSW would like to thank Rosehill Gardens for hosting our Awards Evening over the weekend. Our 600 guests raved about the spacious layout of the venue, the high quality of the meals and the quick service. On the evening, the Rosehill staff were friendly and went out of their way to assist us in the delivery of the event.”*

## **Gymnastics NSW**

*“Royal Randwick for us is just the perfect location. We've worked with them for a number of years on a number of events. We had the John Eales Medal dinner last year and it was so good, we've come back again.”*

*The broadcast, the audio-visual, the technical aspects of what we're after in an event are fantastic, everything has been accommodated for. It's easy access in and out of the city, where most of our people are coming from. The food and beverage, the parking facilities and, like anything, we are looking for the service levels so Royal Randwick and everyone at the ATC are a pleasure to deal with.”*
