**SILVER SLIPPER STAKES** – *Espionage* – Hard to split both of Gai and Adrian's runners but *Espionage* gets the nod which the market has already identified.

**BEST BET** – R8 – *Tom Kitten* – Coming through the same race as *Encap* and ran the fastest last 200m of the race, fitter for the run and should be in the finish. An extra 200m will aid his chances and is also a winner 2nd up. Goes close.

**VALUE BET** – R1 – *Glad You Think So* – Opened \$10 and quickly trimmed up into \$7. Looks to be overs and should continue to firm. Will be able to settle handy and have every chance to win the race.

**LAY BET** – R2 – *Belvedere Boys* – Opened \$3.4 and this quote looked to be unders in a fairly competitive highway race. Expecting this price to drift.

**HOBARTVILLE STAKES** – *Encap* – He only got clear late first up in the *Eskimo Prince* and looks to have come back in fine order this preparation. The 1400 at Rosehill looks to suit. He will likely have to be

ridden back from the wide gate in a race which should have sufficient pace and the rail is in the true position.

**BEST BET** – R6 – *Robusto* – Has had success at Rosehill previously and gets James McDonald back on board. There doesn't seem to be a lot of pace in the race so he should be able to slot in from the wide gate just behind the speed.

**VALUE BET** – R2 – *Vinolass* – Showed she was up to city class first up when second in a BM72 for mares at Warwick Farm. She should improve on that run and had 3 wins a row to start her career on the country circuit.

**LAY BET** – R10 – *Gently Rolled* – Looks to be a wide open race and I wouldn't want to take short odds any runner here with plenty of runners back from spells and looking to improve.

**HOBARTVILLE STAKES** – *Fukubana* – Has been going great in Brisbane and looks the value runner here.

**BEST BET** – R7 – *Lady Laguna* – Classy mare, still with some upside. With even luck in running expecting her to make it 4 in a row.

**VALUE BET** – R6 – *Kinloch* – Has come back super, with 2 wins from near last. The only worry is a lack of pace here on paper.

**LAY BET** – R6 – *Marquess* – Not keen back in distance 2nd up. Made no ground on the leader after a perfect run first up.
