

Dear Member

Ahead of an Annual General Meeting at Rosehill Gardens on Thursday 28 November, I write on behalf of the ATC Board to endorse the re-election of Director Tim Hale SC.

Tim was elected by Members and subsequently appointed to the Board in February 2021 and has served as Vice-Chair since August 2022.

Tim is also Chair of the Membership Committee and the Membership Consultative Committee, and a member of our Finance & Audit and Remuneration & Nomination Committees.

Tim is an inveterate racegoer and would be well known to many Members on racedays as a strong advocate for the Club and our racing.

His knowledge of the Club and his experience as a Director remain assets to the ATC.

As Chairman and with the support of the Board, we would welcome Tim's re-election.

I look forward to joining with Members at the AGM for the Directors elections and presenting the Club's financial performance as we all work for the benefit of Sydney's world-class racing.

Yours sincerely,

**Peter McGauran**  
Chairman
