Postponement of Vote on Rosehill Racecourse Sale

Racing NSW has today directed the Australian Turf Club (ATC) to postpone its upcoming vote on the proposed sale of Rosehill Racecourse.

This decision follows concerns raised by members of the ATC and industry participants that the information that has been provided by the ATC is insufficient (both in respect of the “Yes” and “No” positions) to enable them to make a properly informed decision on the proposed resolutions.

The potential sale of Rosehill Racecourse represents a matter of significant strategic importance with long-term implications for the entire racing industry. It is essential that any such decision is made on the basis of full and accurate information.

The ATC have confirmed that the vote will be postponed to 12 May 2025, with further details provided to members as soon as practically possible.

No further comment will be made at this stage.
