"Royal Randwick gives you room to breathe, to think creatively, and to design something that feels different. The team genuinely want to help you pull it off - they don't say no, they say, 'Let's find a way.' If you're looking to do something a bit bolder, it's absolutely worth considering."

Ashleigh Moore

INDUSTRY ASSOCIATION NSW

"The Venue could not have been any better. The feedback has been amazing, I have worked on a lot of these events and this is the first time people have been raving about the "food". I have to agree I was very impressed with the meals, the centrepieces and the staff. Please pass on my thanks to the Chef and kitchen staff and also those on the floor, nothing was too much effort, they were friendly and accommodating."
