Welcome

On behalf of Australian Turf Club Directors and Management I am pleased to welcome you to Sydney to experience racing at one of our four ATC Racecourses.

Owners are a highly valued contributor to Australian Turf Club and we thank you for your continued support of Sydney Racing. We particularly acknowledge your financial contribution to our great industry and we continually aim to provide the best possible customer experience during your raceday.

To further enhance this experience I am pleased to introduce an 'Owners Guide to attending Sydney Racing'. The aim of this guide is to provide key information for all Owners relating to their raceday experience.

In addition there is detailed information for you and your guests about visiting and staying in Sydney in order to make the visit as entertaining as possible.

We hope this guide provides an informative reference point for you and ensures your race day experience is an enjoyable and comfortable one.

We look forward to welcoming you to Sydney racing.

Testimonials

It's funny to look back to see my goal when we first bought racehorses was to have a Saturday winner in Sydney.

I have been blessed to have achieved a great deal more than that in the last twenty-five years and have had the pleasure of meeting wonderful, passionate racing people from all walks of life.

The improvements to Owners' facilities and the massive increases in prize money have made it an even better reason to own and race horses in Sydney."

CHRISTINE COOK, MYSTERY DOWNS

At Grant Bloodstock, we've been racing horses for many years, and there's never been a better time than now to have horses racing in Sydney on the Australian Turf Clubs four tracks. The prize money is at an extraordinary level, the facilities for owners are fabulous however it is that thrill as owner in winning on Sydney's biggest stage that will live with you forever.

The good news is Australia has the best syndication offerings in the world. There's so many opportunities to get into racing today with government approved Racehorse Syndicators offering premium level ownership from as little as \$200 per share. Now's the time to get involved."

STEVE GRANT, GRANT BLOODSTOCK

Sydney racing is quite possibly the best in the world right now. Prize money increases over the past two years have been significant and the addition of a number of new very high Stakes races sees the focus increasingly on NSW as the premier state in which to come racing. Ownership has never been easier or more enticing."

DENISE MARTIN, STAR THOROUGHBREDS

One of the exciting things in my sporting life is owning thoroughbreds. It is always exciting to have one of them race in Sydney."
